

Molluscum Contagiosum 105
Riya Sangani Tel NO - [REDACTED]

Duration :- 6 months

Percentage :- 98%.

I Neha Sangani, Riya's mother have started Dr. Mehra's treatment in June and now its 6 months that I am seeing total recovery ⁱⁿ of my daughter. I am specifying duration just to tell you also to have patience and blindly follow doctor's instructions.

I have suffered alot. I had taken my daughter ^{who is just 1.5 years old} to a Skin specialist and had removed the molluscum. ^{but it came again} By doing this I had literally torched my child. later one of our friends suggested Dr. Sunil Mehra's name. To be very frank, I never believed in homeopathy. But today after my daughter's recovery I only believe in Homeopathy.

Earlier I used to cry in front of the doctor because there was no recovery in the first 2 months. But Dr. Mehra told me to be patient and he gave me a lot of confidence. By following his instructions I believe I have done the best thing in life. The result is just fantastic & unbelievable.

I am totally impressed by the style of treating the ~~problem~~ person. Always telling us the right things, never saying ^{only} good words to please us.

Also the medicines are available whenever we want even if the doctor is not in town. This is the best part. Also he is always available on phone. The compounder is very ~~useful~~ ^{helpful} & co-operative.

Now it is a stage where I suggest everyone to visit Dr. Mehra for any & damn problem. Dr. Sunil Mehra is ~~just~~ like a

God for me because I have seen my daughter suffering alot. Now it is just like a miracle for me. My family is so impressed by the doctor that everyone ~~has started~~ ^{was following} him. The best thing about Dr. Sunil Mehra is that he takes personal interest in the illness and treats the patient as his own family member. Also the fees is minimum as compared to other doctors. Hence it is affordable and also very very effective.

I am impressed by his knowledge about each & every disease. ~~Also~~ Also the way of explanation is really impressive. The only thing which he tells us to strictly follow is "Parhez". Once if we follow this ^{means} we are on the right path. I am totally satisfied by treatment.

After ~~the~~ Six months I have a broad smile on my face. I suggest everyone to have total faith and ~~to~~ trust on the doctor. My daughter loves to come & meet him as he treats her very well.

For me ~~he~~ Dr. Sunil Mehra is the BEST Doctor for everyone. Just Trust him and your life will be more healthy and happy.

After watching the total recovery in my daughter's skin I request each & every one to follow the doctor's instruction & Complete the total course of medicine which he has given. For us he is not our family doctor but ~~is part~~ ^{a member} of my family. "THANKS ALOT Dr. Sunil Mehra".

Regards,
Mrs. Neha Sangani.
