I Am extremely Gratefull to shri Dr. Mehra. He was able to turn around not just my gastroenteritis and abscess (3 or 4) in a span of less than 2 weeks. He quickly isolated part of the problem to my FAT rich diet and sedentary lifestyle. On his advice I took steps to change my Food habits, remove cholesterol & rich content in order to reduce my bulge. He was instrumental in my leaving sweets and other sweet customary offerings.

I have steadily gained improvement also in my throat. I used to have phlegm and used to fall back on antibiotics.

His way of talking, giving confidence, and continuous laughter is amazing.

He is extremely candid and being a kungfu myself he is able to connect better and advises me for healthy living.

His team members are Excellent and always report on WhatsApp & text msg.

I THANK DR. MEHRA IMMENSELY & OFFER MY GRATITUDE. ARUN
